

## VBS 2009 - Crocodile Dock "Where Fearless Kids Shine God's Light"

It is difficult to believe that another VBS has gone into the memory books as another mission gone right. Our church has such a heart for this mission, like Jubilee Christmas, where we all pour our time and talents into our community. We take seriously the charge of "sowing seeds" for Christ. The Holy Spirit was here in song, dance, drama, food, games, cinema, and crafts. What a great week!

We averaged 91 children per day and had 70+ teen and adult volunteers help daily and with the Friday night refreshments and decorations. Daily offerings totaled \$168.26 which will go towards our ever increasing food pantry needs. We also collected 380 pounds of food for our brothers and sisters in need. (We are still accepting food pantry donations as well as VBS donations.) Friday night offerings of \$392 help to defray the cost of the program. Over 90 "God Cares" comfort critters were made for needy kids in Operation Kid-to-Kid.

I hope I did not forget anyone in the list of volunteers who helped. I send extra thanks to Ivamarie Kelley for the extra administrative work (she was drafted and couldn't say "No"), Peggy Fields for the daily "stuff" that needs attention and organizing Friday night's program and Betsy Wagner for taking care of the color coding miracles and extra niceties for the crew leaders. Lastly, thank you to the Fellowship Committee who organized Friday night's reception and made the best treats!!

Always Yours in Christ, Jane Coleman
