Committee Chairs:
I am seeking your help in keeping the website up to date. If your committee sponsors an event or activity that should be noted on the website, would you please have someone give me information about it? Also, assigning a photographer for the event to provide pictures for the web would be helpful too.
Deadline for submission for the web update will be the same as the newsletter. Often the same information may be used. Please feel free to e-mail information to me anytime. I try to coordinate the web update with the newsletter mailing. THANK YOU FOR YOUR HELP.
