

Don't worry about anything; instead, pray about everything. Tell God what you need, and thank Him for all He has done.

Prayer Request

We want to keep all of the people who are affected with the flu in our prayers. We want to remember all of our health care providers who are caring for the sick every day.

We want to remember all of our service men and women who are away from home during this holiday season. We want to give thanks and praise to our Lord and Savior Jesus Christ for all of the blessings he has bestowed upon on us this year. We are a grateful group for all we have received.

God Bless!
