Prayer Request

We are a blessed to have such a wonderful church full of talented young people and adults who car so much about each one of you! We set forth to raise money for all of eligible members to attend Triennium and we reached our goal! With the help of our congregation we raised the money needed to send 6 kids to Triennium this summer and we are thankful for the support of this group!

Starting out a brand new year is exciting! I pray that this year is filled with health happiness and prosperity for each of you, your families, and this church!

We are blessed and highly favored with the Lord! Good luck as you return to school and your busy schedules. Try to make time for us this new year and invite a friend to church!
