

Trust the Lord with all your heart, and do not rely on your own understanding. Acknowledge Him in all your ways and He will make your paths straight.

Prayer Request

The holiday season is fast approaching! This time of year gets very busy and people lose sight of the reason we celebrate. Let's remember to give thanks during this harvest season for our farmers, ranchers, and to God for making our land so bountiful. Let's also remember our troops who are away from their families. Let's lift up our church as we continue to search for a new minister. I pray that we all have a safe and happy harvest and holiday season. God Bless.
